

Jonesville Middle School

Writing Non-negotiables

All students at JMS will follow these guidelines when submitting assignments for a grade:

- All answers must be written with **COMPLETE** sentences.
- Capitalization rules must be followed; all sentences begin with a capital letter. The personal pronoun “I” must be capitalized.
- All sentences must have correct end punctuation.
- Use the designated margins (i.e. pink and blue lines) for correct writing format.

Failure to follow these guidelines may result in losing points on the final grade of the assignment.
